

## State Street, 9000 South to 10600 South Construction at 10600 South & State Street is Underway!

- Reconstruction of 10600 South from Auto Mall Drive to approximately 200 East is scheduled to begin on Monday, February 19, 2007. Lane restrictions will begin on Sunday, February 18, 2007.
- Left turns along 10600 South will be prohibited from I-15 to State Street. A dedicated left turn pocket will be provided in all directions at the State Street intersection. All left turns will be eliminated at the Auto Mall Drive / 10600 South intersection.
- Business access will remain open with right turns into and out of the businesses within the work zone.
- Pedestrian crossings along 10600 South between I-15 and State Street will be closed. Pedestrians will be directed to State Street in order to safely cross 10600 South.
- Motorists should expect delays through the area. I-15 commuters should use the 9000 South or 12300 South interchanges. Local traffic should use 700 East, State Street or South Jordan Gateway to access the South Towne Mall and other businesses in the area. Please note, 11400 South and 10000 South provide direct access under I-15 to the State Street area.
- The speed limit will be reduced to 30 mph along 10600 South and along State Street from 10600 South to 9000 South.
- UDOT advises motorists to drive safely and obey posted speed limits. Also please refer to variable message signs along I-15 and within the project area for information.
